Our Program Policy

The Fatherhood Rally

Promoting, encouraging fathers to father and children to honor the importance of fathers today. Seek role models to stimulate the debate and foster fatherless children.

The purpose of the event is to set aside a day to encourage dads to spend quality time with their children, and to encourage interaction between fathers and children throughout the year. Organizations that promote or have an interest in fatherhood, parenting, as well as vendors, and community organization that promote family values are welcome. There will be a \$25.00 set-up fee for each organization which participates as a vendor or distribute relative materials, which includes a 6 foot table.

We will feature speakers on the hour that promote fatherhood and family issues. Each event will include a Featured Guest Speaker that will speak to the issue of fatherhood. There will be seminars, fatherhood workshops, and messages seeking solutions to help fathers to develop strong, active roles in the lives of their children and communities.

It is the policy of this organization to provide equal opportunities without regard to race, color, religion, national origin, gender, sexual preference, age, or disability.

You understand that you are volunteering to promote fatherhood rally.
